Figure - 4

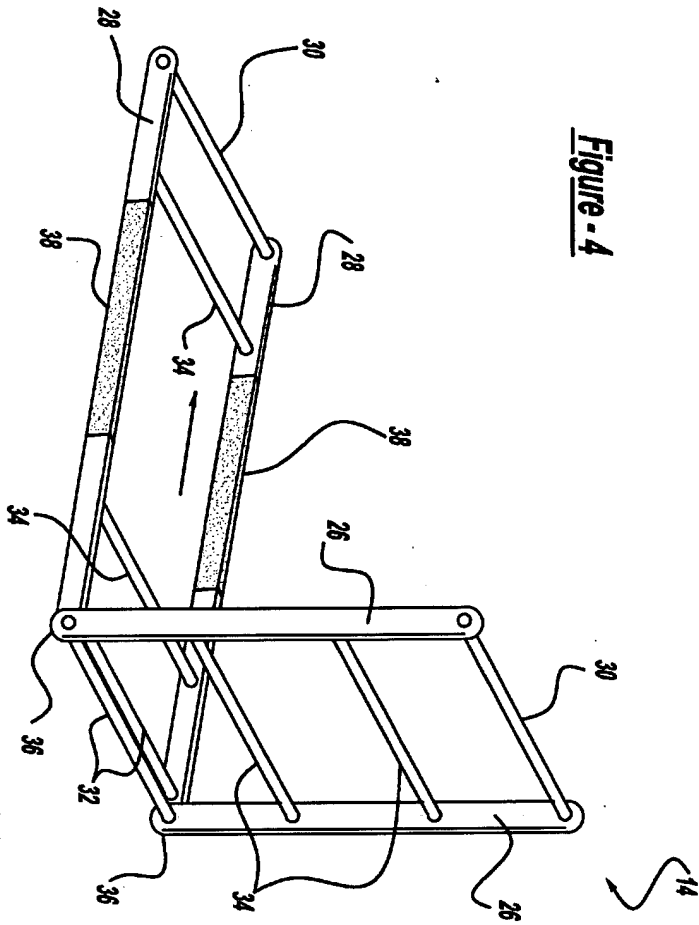

FIG. 4 is a perspective view of the assembly 14 in a first position. The assembly 14 includes a base frame 26 with side rails 30 and cross members 32, 34, 36. A vertical member 28 is hinged to the side rails 30 at the top. A horizontal member 38 is attached to the vertical member 28 and the side rails 30. An arrow 34 indicates a sliding motion of the horizontal member 38 along the side rails 30.
